RE: Application/Resolution to become a 4th Class City

Dear Julie:

The City of Hurstbourne Acres met last evening in its regular schedule monthly meeting. As a result of this meeting the Commission voted to become a 4th Class City.

It is my understanding that this process will involve an act of the legislature and I am asking that you guide us in this process.

We are working on the census numbers and we may fall short of the guideline numbers and may ask for your guidance in working through this obstacle.

Thank you for your support in this matter and I look forward to working with you in the very near future.

I will send this message electronically to you email account as well.

Again thank you for your time and consideration.

Sincerely Yours,

AFFIDAVIT

We affirm to the best of our knowledge that the population of the City of Hurstbourne Acres does meet the criteria for a city of the 4th class.

The population of the City of Hurstbourne Acres is made up of the following demographics;

1. Homes 185
2. Apartment Complexes 3 consisting of 900 rental units
3. Business Occupancies 76
4. Office Complex 1
5. Middle School 1

The above gives the city a population of between 2600 - 3100. This figure was obtained as a good faith estimate of the population of the City of Hurstbourne Acres, based upon our experience, knowledge and belief. This figure conflicts with the 2010 census due lack of knowledge of our boundaries by the census as well as the increase in apartment rentals and additional businesses coming online.

Resolution No 3
Series 2011

**A RESOLUTION CONCERNING RECLASSIFICATION
TO CITY OF FOURTH CLASS**

Whereas, the City of Hurstbourne Acres, Jefferson County, Kentucky, desires to petition
The General Assembly of the Commonwealth of Kentucky to be reclassified from a 5th Class
To a 4th Class city; and,

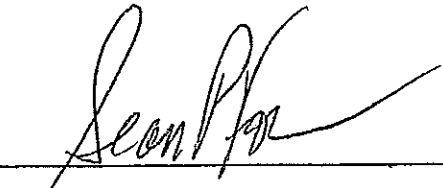

Whereas, Kentucky Revised Statutes section 81.032 requires that the legislative body of the
City provide the General Assembly with a certified resolution requesting reclassification; and

Whereas, the City of Hurstbourne Acres will substantially comply with the requirements
as established by Section 156 of the Constitution of the Commonwealth of Kentucky (now repealed);
and,

Whereas, the City of Hurstbourne Acres has reviewed the 2010 census information
From the United States Census Bureau, and considering the large residential population, the
number of rentals, within the City limits, and the large and varied commercial area, there are
sufficient and appropriate reasons for the change in reclassification to the fourth city, to
support this petition;

NOW, THEREFORE, BE IT RESOLVED that the legislative body of the City of Hurstbourne
Acres, Jefferson County, Kentucky officially petitions the 2012 General Assembly of the
Commonwealth of Kentucky for reclassification from the 5th class to a city of the 4th class.
